RV Use: Part Time

RV'ing since approx: 1998

Interests while RV'ing: Touring, Site Seeing, Relaxing !

Special Comments:

My wife Terri and I purchased the very first travel trailer to come off the Ameri-Camp line a T290BH from the Harrisburg Pennsylvania RV show in 2003. In 2004 we traded it in for a 2nd Ameri-Camp with a slide out (T315BH), then in 2006 since our kids stopped camping with us for the most part, we traded up again for our present fifth wheel (F320ES). We have been very pleased with our Ameri-Camp trailers, and have spread the word far and wide. We unfortunately have not been able to make the first two rallies, but hope in 2008 to make it Indiana. We have been to the factory several times to watch our trailers being built, and to have our trailers serviced. Some folks thought we were nuts to pull our trailer 650 miles back to the factory, but it was well worth it in the end with the level of service we received. Our trailer now spends most of the camping season in a campground in Mount Pocono Pa where we tend to use it as a summer home, however it does leave the campground 2 or 3 times a season for trips to various places, including a week of dry camping during Creation Fest East. Hope to hear from other Ameri-Camp owners in the area!
