Interests: Sightseeing, history, geology, museums, rodeos, sharing our adventures with our website visitors

Comments We purchased our first RV (a Sunline Seville) in '88 and fulltimed between '89-'91. Our current Ameri-Camp is our third trailer and by far the nicest. We now travel for several months at a time visiting the wonderful sites of our grand country. We enjoy seeing the sights and learning about the history and geology of the places we visit. Tom loves to cook and Frank loves to tinker with computers and is a digital photography fanatic. Our website is chocked full of our adventures as well as a ton of other stuff.
