This FREE schedule was first published and distributed in 1997 with the sole purpose of making dance information available to dancers and visitors who come to the Valley interested in Ballroom Dancing, (most are seniors). Explicitly, the intent is not to advertise the Centers displayed on our schedule and website (some public, some private). The dance schedule and supporting webpage has increased attendance at all of these centers. Our Arizona Ballroom Dance schedule is updated monthly or when changes occur. We have no commercial sponsors nor do we endorse or recommend any one dance place.....
HAPPY DANCING - GinGer and Phil Green

Nancy Skinner has asked us to remove PV from our schedule - .—>> 602-262-1628 or 602-495-3783

By popular request of the Paradise Valley Senior Dancers we continue to show when dancing is available at the center.
