January 5, 2005

Dear Field Trialers and Welcome Guests,

The Antelope Valley English Springer Spaniel Club will hold a special, 1-day Open & Puppy only field trial February 21, 2005. This trial is to help support the Arrowhead ESS Club (having companion 2-day trial on Saturday & Sunday – see premium sent under separate cover from Cheryl Sligar), and to provide more opportunities for West Coast trailers to qualify for the National Open in Northern UT this coming November.

Most of you are familiar with the Porterville grounds and we are hoping for good cover with all the extra rain we're getting this year! We still plan to hold a fall trial, also, grounds permitting. We are fortunate to have two excellent judges available from our own Interclub for this 1-day event: Robert Child of UT and Don Giddens of Northern California.

Additional useful info:

Motels: Trial headquarters will be the Super 8, Olive Tree, Lindsay, CA, (559) 562-5188. Other local choices include the Best Western Porterville Inn, (559) 781-7411 and for the truly brave, the Motel 6 Porterville, (559) 781-7600.

Advertisements in Catalog: Please help support our club by taking an ad in our FT catalog. Please indicate on the enclosed reservation form and provide camera-ready art or copy only.

Lunch: Lunches will be available on the grounds for a reasonable price.

Awards: Awards will be given at the picnic/parking area after the stakes are finished.

Confirmations/Running Order: If you wish to receive the running order in advance, please include an e-mail address or fax # on your reservation or entry form.

Looking forward to seeing you in the field,

Mike Leonetti
