Yolanda Guerra	Guest
Eric McKenzie	Diamond Back Rep. – Guest

Section Meeting:

We are asking all Area Staff and RC's to help push attendance at the upcoming Section meeting in Salt Lake City, UT March 6-9, 2008. Attendance is crucial for next years Section Meeting.

- At Section Meeting there will be an Advanced Instructors course offered. The RC's have agreed to have the Area reimburse all Area staff who are attending &/or teaching advanced instructors clinic for expenses incurred as the result of these clinics.

Eric McKenzie from the AZ Diamondbacks:

- Thank you to all who helped out in last years Youth Soccer Night. The program was a great success. There were a couple of kinks that will be worked out this year, but we expect another good year in 2008.
- Panda Express will be sponsoring Soccer Night again.
- Next Soccer Night will be September 27, 2008 (Saturday). The game is between AZ vs. Colorado. Please look toward your RC's and coaching packets for further information. The suggestion that was made was to put in directions (for the parade) in each envelope with the tickets.

Arne Kolsrud from 688 explained how he passed out the fliers to his Region. He passed out fliers to each team parent on the team to get the orders and money. Each team was responsible to get the orders and money to Arne.

Referee Clinic:

- An Advanced/Intermediate referee Clinic is in the works for the East Side in May. Date and location TBA.

Meeting ended at 3:50 pm
