

C.O.A.C.H. Dress Code Standards SY 2008-2009

The Administrators and Teachers of the Central Oklahoma Alliance of Christian Homeschoolers have voted to implement a stricter dress code for the 2008-2009 school year.

For shirts, all students will wear a short or long-sleeved polo-type shirt in a solid color. White will not be acceptable nor will emblems of any kind. (i.e. no Polo horse, Tommy Hilfiger etc.) Also, shirts are not to be too baggy or too tight.

For bottoms, all students will need to wear tan/khaki chino type pant. Boys are not to wear baggy/sagging styles and girls are to wear at waist, non-tight fitting pants. Girls may wear knee-length or longer tan/khaki skirts or capri type pants. No jeans, shorts, or pants of other colors allowed.

An appropriate style shirt is listed below as well as various stores and prices where clothes may be found. For questions, please see an administrator.
