

Home Is Where We Are
Bill Robinson

1.

Home is where we are
Lost and found again and again.
Tho' we wander far
Make believe and pretend
Home is where our journey ends.

2.

Home is who we love
Heart and soul,
Hot and cold.
Help us guiding star,
Shining through
For me and you.
Open wide the door
Inside my heart!

Instrumental

3.

Home is where we go
Where they know
Goodbye and hello.
Time will come and go.
A father's child,
A mother's smile,
Will stand against
The dark and wild!

4.

Home is where we are
Lost and found again and again.
Help us guiding star!
Lost and found,
Up and down,
Near and far,
Home is where we are!
