

Pretty Mama
Bill Robinson

1.

You won't ever see me,
I don't doubt that.
I just want you to know I see you!

I don't know if this song
Has a meaning,
But I've been meanin'
To sing it to you for so long!

Sing along, pretty mama!
Sweet baby, yeah,
Pretty mama,
Yeah, yeah, yeah!

2.

Who do I love
In the morning', sweet thing?
You know who I love
In the still of the night!

What's that feelin'
That comes without warnin'
Just when you think
You got your heart
All sewed up so tight?

Open me up, pretty mama!
Sweet baby, yeah,
Pretty mama,
Yeah, yeah, yeah!

Instrumental

3.

Honey, I see that the moon is arisin'
And the stars
And those signs seem so right!

Suddenly, I start to realizin'
That this dream ain't a dream,
Ain't a dream – It's tonight!
This dream is tonight!

Make my dreams come true,
Pretty mama!
Sweet baby, yeah,
Pretty mama,
Yeah, yeah, yeah!

4.

You won't ever see me,
I don't doubt that.
I just want you to know I see you!

I don't know if this song
Has a meaning,
But I've been meanin'
To sing it to you for so long!

For so long!
For so long!
Sing along, pretty mama!
Sweet baby, yeah,
Pretty mama,
Yeah, yeah, yeah!
