

NEWS LETTER

Crescent City Radio Control Club, Inc.
8601 Steamboat Lane
River Ridge, Louisiana 70123

October 29, 2009

Due to Thanksgiving, the next general meeting will be Tuesday, November 24 at 7:00PM.

General Membership Meeting:
Three new members were voted into the club; Willis Potts, Darrell Turner, and Biff Troxler. Congratulations and welcome to the Crescent City R/C Club.

Ray updated the membership on the Memorial Day Fun Fly with the 2010 dates of May 20 & 23.

It was brought to the member's attention that Marshall Candies was mentioned on page 170 of the November edition of Model Aviation magazine, in support of the Berwick fun fly.

Todd Mayer proposed meeting with the owners of Goldmine Plantation to request permission to add dirt to the south end of the field and other low areas around the flying site to include the grass portion between the runway and

sugarcane and both sides of the safety fence.

Ray presented a fix to fill the cracks in the runway with a special filler that Marshall had investigated. It was proposed and agreed upon that two tubes should be purchased and tested. Ray also read a letter from a modeler that made hat pins and passed samples around for members to review. Ray also read a letter from the AMA asking members to be on the lookout for potential members that attend a fun fly promoting the hobby and to encourage them to seek out local clubs.

Election of Officers and Board Members:

Members present were presented with the nominees for this year's election and the floor was opened for any additional nominations. Congratulations to the following members:

Officers:

President	Steve Williams
Vice President	Raymond Miller

Treasurer Freddie Sanchez
Secretary Gary Morton

Board Members:

Jeff Caldwell
Marshall Candies
Carl Cantrelle
Clarence Edwards
Phil Page

Plane of the Month:

A Super Stearman was presented by Ronald Brown.

Door Prize:

John Violet won a gallon of fuel

Banquet:

The Annual Banquet will again be at Bull's Corner in Laplace on January 23, 2010 at 7:00pm. Please start making arrangements to attend. A menu will be sent out as soon as available.

Safety:

Reminder to all members:
Report ALL accidents to our

Safety Coordinator, Steve Williams.

It is our duty to keep the flying field clean, don't forget to pick up your trash. If it came with you, make sure it goes home with you.

SUPPORT YOUR CLUB, GET OUT AND FLY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
