

CENTRAL GEORGIA VHF NET PREAMBLE

Calling all members of the Central Georgia VHF Net and anyone wishing to participate. This is _____ (give your callsign), your net control station for this session. This net meets each Tuesday on this, the *Frank King Memorial Repeater*, in Warner Robins, GA. It is sponsored by the Central Georgia Amateur Radio Club and is affiliated with the ARRL and the National Traffic System.

The purpose of this net is to handle any traffic and to serve as an information net for the Central Georgia area, giving each participant the opportunity to contribute their comments and information while training members of the Central Georgia Amateur Radio Club to be prepared to handle emergency communications.

This is a directed net. Please direct all transmissions to the net control station. This is _____ (give your callsign). My name is _____ (give your name), and my QTH is _____ (give your location).

ORDER OF BUSINESS

1. Handle EMERGENCY or TIME VALUE traffic. State "If at any time during the net an emergency arises, we will relinquish the repeater and assist with the emergency in any way we can".
2. Ask that anyone desiring a traders net request it when they check in to the net.
3. Take check-in's with announcements, club business, or topics for discussion. (Read all announcements at the end of the net prior to shutting it down.)
4. Take mobile, short time, and in/out (no traffic stations) check-in's.
5. Take any visitor stations check-in's.
6. Take check-in's for the roundtable portion of the net. Have stations check in according to their callsign suffixes. (First letter after the number.) **A – E, F – J, K – O, P – T, U – Z**. After calling all letter groups, ask for check-in's throughout the alphabet. Call each station the order they checked in. Periodically ask for late check-in's.
7. Read any announcements taken during the net.
8. Ask for any late, visitor, or re-check stations.
9. Close the net. State "The Frank King Memorial Repeater is now returned back to its normal use. Good night and 73."
