ANCS: NM4W, Will, DEC Central**

Net Preamble:

CQ, CQ, CQ. This is the Central Georgia Amateur Radio Emergency Service Net. This is a directed net. Please direct all communications through net control.

The purpose of this net is to promote the ARES program, share ideas and information, pass traffic and as a preparedness and training drill for net procedures.

Your Net Control Station is <call sign>. My name is <your name>. I am located in <your location>.

If you would like to become a member of ARES, please give this information to Net Control when checking in. Also when checking in please state if you have an announcement or formal traffic for the net.

Is there any emergency or priority traffic?

Is there any routine traffic?

**Are there any stations with announcements?
(recap announcements later in the net)**

Calling our District Emergency Coordinators and Assistant District Emergency Coordinators, DECs and ADECs please call now:

Calling our Emergency Coordinators and Assistant Emergency Coordinators, ECs and AECs please call now:

We are now taking check-ins for the net. Please call now.

Are there any questions or other business before we close the net?

Any late check-ins?

This is <call sign> your Net Control Station closing the Central Georgia Amateur Radio Emergency Service Net and thanking each one of you for taking time to check-in. Your participation and support is what makes ARES be of benefit to the public in times of disaster.

Also thanks to NM4W and the CGARC for the generous use of this repeater and to WM4B Mike and KF8DB Dan for keeping these machines going.

The frequency is returned to normal use. 73 from <call sign>.
