

Acts 4:13 (NKJV)

Now when they saw the boldness of Peter and John, and perceived that they were uneducated and untrained men, they marveled. And they realized that they had been with Jesus.

“Allow Me to surprise you in what I can do through you.”

God wants us to allow Him to surprise us - *all of us*.

He wants us to understand (experientially and internally) that it is the Holy Spirit in us, that created order and beauty out of chaos and darkness, Who will use us in ways we never dreamed of - If we allow Him to surprise us.

Don't ever think you can't be used in this way or that way.

God does what man sees as impossible - and He does it sometimes through the most "unlikely" vessels!

Be open to God in ways you never have been before - He will use you in surprising ways!

And be ready to see God use His church - all of it!
