Dear Ms. Weber:

I would like to express my thanks and appreciation for the donation of books to our library. This donation added depth to our reference and periodical collections. The approximately 270 volumes we received, consisting of Contemporary Authors, Contemporary Literary Criticism and National Geographic, were in good condition.

The market value of your gift should be determined in cooperation with your tax preparer for income tax purposes. This letter provides the documentation that you need for tax purposes to substantiate your gift to Patrick Henry College. The college did not provide you with any goods or services in return for this gift.

Your support of PHC, and the library in particular, is very much appreciated. Those who support the mission and vision of the college are critical to the education of our students.

Sincerely,

A handwritten signature in cursive script that reads "Charlessa McConnell".
