

A Passion Diva's Guide to an Incredible Valentine's Night

Short of ideas? Not sure what to do?

Whether you're staying home for a romantic night in or spending a sensual evening in a hotel suite after a night out on the town, these steps help you enhance your Valentine's into the most memorable yet. Taking the time for details not only brings you to the heights of exceptional pleasure, but your partner will undoubtedly be impressed — and possessed — by your sultry Passion Diva.

Step 1: Take the time to read through "The Passion Parties® Guide to Great Sex" for ideas, secrets and techniques to keep your Valentine's Day red hot and passionate. Learn why Pure Satisfaction should be in your passion pantry. Get tips for setting the scene for a sexy sensual massage. And, discover the top ten sexual positions. It's a special day, so why not experiment with several positions?

Step 2: Lay the petals from Rose Petal Seductions on the bed or in front of the fireplace. As the two of you engage in the romance of the moment, follow the suggestive tips printed on each petal to enhance the beginning of foreplay. Include real or silk rose petals for added ambiance and fragrance.

Step 3: The perfect dessert for any romantic dinner is each other... Apply RomantaTherapy® Passion Pudding White Chocolate on the areas of your body you want your lover to linger. Write suggestive hints on your thighs, tummy and chest using Edible Body Pens in chocolate and strawberry. Be sure to use sexy verbs such as lick, taste and kiss.

Step 4: Valentine's Day is about celebrating love and the Ultimate Night of Passion is all about celebrating your relationship. What better way to celebrate than with some good vibrations—both literally and musically? With the Beat Vibe, you and your partner can enjoy the experience of music-activated bullets. For added fun, hand the control over to your partner. Let your lover choose the intensity level by deciding which songs to play or how loud to play them. The louder the volume, the more vivid the vibrations.
