### PTA Delivers!!!

The benefits of joining the PTA -- parent representation before legislatures, opportunities to make positive changes in our schools and communities, parenting tips for raising children in the 21st Century-- is it worth the average cost of **1 (one) small cheese pizza?** Becoming a member of the PTA is worth the **dough**. There is simply no **topping** it; anyway you **slice** it...your membership counts. We want to become a **BIG CHEESE** and advance to the **SUPREME** Level by attaining 100% membership by **October 30th 2004!!!**

Help us **Rise** to the challenge...it's the **yeast** you can do!!

**And if that is not enough.....**

Join **Now** through the month of October and the PTA will sponsor a Pizza Party to the Class with the most memberships.

**Don't say NO to your Child's Future.**
