

CERT ACTIVATION FORM

Upon self-activation, the Team Leader must notify 911 that you have activated. The Team Leader should convey the following information to 911 as soon as possible.

Example: "A tornado has touched down in Ford's Colony. This is Ford's Colony CERT—Western Gales team—activating at 9:00 PM. Bill McCabe reporting. We will call back when we can with situation assessment information."

Then, follow up with information below when it becomes available.
