

Go Green Challenge

Everyone has gone “green.” Let’s showcase what “GFWC green” means by challenging ourselves to change 3 of our personal non-green habits before the Spring 2009 Conference. We’ll make a positive difference in the world AND you could win a potentially valuable green prize. Prizes will be awarded to the 2 people who make the most creative changes.

Entries must be received by March 21, 2009. Winner will be announced and prizes awarded at the April 4, 2009 Central District Spring Conference.

Submit entries to:
