Papillion, NE

Isn't this a wonderful time of the year? Hectic sure, but take time for the important things and enjoy your family and friends. Merry Christmas and a Happy Holidays to each of you.

Now that I have reminded you to enjoy your family and friends, I now need to remind you to remember our many NFWC upcoming events also.

- [Cheryl Strickler](#) reminds you that club reports are due to her and to GFWC no later than February 1, 2007. Reports will be sent from Cheryl to NFWC Chairmen by Febr. 15.
- NFWC Chairmen, your reports are due to the appropriate GFWC Chairman and to [Kathy Flock](#) by March 15. We can get no awards if those reports are not sent in to the correct chairmen.
- Club Scrapbooks are to use the criteria from the 2004-06 guidebook on p. 23 and sent to the District PR chairman by the due date.
- Publicity Books are to be postmarked by March 1, 2007 to State Public Relations Chairman [Pat Gage](#).
- The "New" Scrapbook entries are part of the Arts and Crafts. These scrapbooks may be any type of personal scrapbook. Check with Judy Anderson.
- EVERY CLUB HAD DUES PAID ON TIME! Jan Jones sends her thanks!
- [Leola Bonge](#) reminds clubs to sell those quilt raffle tickets. Remember nonmembers can be potential buyers. You can get additional tickets from Leola.
- [Jean Hennings](#) suggests you start thinking about Sophomore Pilgrimage and Legislative Day in April. Exact dates will be sent to clubs in January.
- [Janice Predoehl](#) reminds club presidents to send names of those who have accepted a chairmanship or club office for the first time to her as soon as possible.
- [LEADS](#) applications are due to Janice Predoehl by January 15, 2007.
- Send names of your new club members to Membership Chairman [Diane Uher](#) so she can send a silver "treble clef" charm for each of them.
- [Janet Kuhl](#) reminds clubs that after elections this April, send her your club president and treasurer's names and addresses whether new or not for next year's directory.
- We are looking for a storage facility to hold NFWC papers and other materials that need to be saved. If you own such a facility and could donate space, please let NFWC President Kathy Flock know.
- Send your e-mail address to Liz Gerberding to receive Nebraska Clubwoman online.
- If you would be interested in additional copies of our Cookbook from 2004 please let Jan Jones know. We are looking into the possibility of having additional ones printed.
- Has your club nominated their Jennie Award nominee yet? Please check the criteria in your Club Manual under Special Projects and have those nominees to Kathy Flock by June 15, 2007.
- Deadline for the Nebraska Clubwoman is February 1 to [Liz Gerberding](#).
- Put the NFWC State Convention on your calendar now for April 19-21. Registration will be in the upcoming Clubwoman. We're planning a Heavenly Hats parade. Check your club manual in the Home Life section. Also plan on bringing lots of pillowcases for standard size pillows for the Ronald McDonald House.
- Take time over the next few months to review all that GFWC/NFWC means to each of our communities and to our clubs. Be proud of your membership in this wonderful organization!

Again, have a calm, serene, happy holiday season!
