Discussions:

Logo cups- Ken said the cost was prohibitive so we're looking into logo notepads instead to hand out to members when they join.

Banquet- The retirement/Master teacher banquet is Monday, April 24 at 6pm in the MS multi-purpose room. Tennille is organizing it and made flyers to hang in the schools. Her theme is "That Was Then, This Is Now" and she has a great caterer lined up.

Master Teacher meeting- Ken sent letters out to the old master teachers and is having a meeting on April 3 to choose the new one. You can still nominate someone for master teacher, rookie of the year, or friend of education if you would like. Send the nomination to Ken.

Elections- Keven is putting the KNEA election and the HEA spring election on Monkey.com this year. Voting for KNEA is today(Wed) and HEA tomorrow. Thank you to all of the members who stepped up to run for an office!

Membership spring promotion- Donna shared ideas on how to get nonmembers to sign on. It takes all of us talking to nonmembers and new hires. KNEA will set up workshops on any topic for college credit or PDC points for our members. Donna is looking more into this. We talked about making some kind of plaque or sticker or members to display in their classrooms.

Budget- We haven't had a written budget in years and need one. Ken is looking into making up a rough draft of what we spend. The dues haven't been raised in over ten years and it's hard to do much with only \$25 per person. If we had more money we could do more professional activities and be more active.

Sick Leave Bank- We are healthy and have a lot of days saved up.

PDC- JL was concerned that teachers didn't have enough time to sign up for PDC points now that there is a deadline of one week. The MS gets reminders but we don't know what's happening in other buildings. JL would like for the timeline to be longer.

Next meeting ?
