All staff will get a survey in January about negotiations. It will be through electronic means and on the workday. We will publish the results on the web site.

Membership- Donna Gregg has increased HEA membership by two this fall and a possible one to join in January. After Christmas break the membership will be half price.

Carolyn Brown- Will be running for regional seat on the Board of Directors. Kristy Lovings is running for one of the 8 districts in Ks. Also Carolyn encouraged Tennille to attend the national meeting in Philadelphia for seven days.

The BOE will send out the meat trays this year and the HEA will send out cakes to go with the trays.

We need to decide on what to do about honoring retirees, master teacher and rookie teacher of the year. Possibly working into the board meetings???? Tennille will talk to Debbie Coleman secretary.

Need to start getting names for nominations for offices next year.

We talked about Freeman teachers moving their entire classroom during their own time after school hours. Kurtright talked with Bruce Peterson and Bruce Sanderson they were told to keep track of their hours but Perry McCabe says no additional pay.
