

DIGITAL FILE NAMING REQUIREMENTS

CATEGORY NAMES

oc = open color
nc = nature color
pc = photojournalism color
cc = contemporary color
ac = assigned color
obw = open black & white
nbw = nature black & white
pbw = photojournalism black & white
cbw = contemporary black & white
abw = assigned black & white FILE NAMES

Category name, title, maker first initial maker last name.jpg

All lower case

The character between category, title, and maker initial and maker last name must be a dash (-) This is the character to the right of the numeric 0 on the keyboard

The files must be in jpg format therefore there should be only one listing for jpg and that is the extension after the period EXAMPLES:

oc-over the edge-dcross.jpg (This is an open color file with title of "over the edge" and maker dcross)

cbw-blacklight creation-dcross.jpg (This is a contemporary black & white file with title blacklight creation" and maker dcross)
