Dear Friends of the Encinitas Library,

Stay with us while we build! The new library is under construction and the Friends of the Encinitas Library are still operating to bring you the best library ever. Join us again and enlist your friends. Tell them what a great job we've done. We have raised \$92,000 so far that we have used to apply for matching funds from the county. That money is the result of ten years of your participation in the Friends by membership, donations, and book sales. We also have a wonderful \$18,000 donation from Supervisor Pam Slater-Price. All of this money will be used for new books, videos, movies, music, and other materials for the grand opening of our new building. Drive by the construction site and watch the progress. The retaining wall is finished and the floor was just poured. We couldn't have done it without you! Your money will continue to be used to make our new library better. Your continued support tells us the journey was worthwhile. Stay with us and join or rejoin the excitement!

Thank you,

Julie Ann Callis, Sheila Cameron, & Pat Yeakley
