

# PALOMA PTA: Are You In?

## Leadership

Leadership in the PTA includes opportunities to chair an event or year-long committee. Consider now what your leadership role might be this year or even next year. Right now we would also like to begin the process of working with individuals interested in board membership next year to ensure a smooth transition.

## Leadership

## Direct Support

You can provide additional support to the PTA through volunteering, financial contributions, or a combination of the two. Volunteer opportunities are available for people with many backgrounds, skills and time constraints. Share your skills and expertise! Some volunteer work can even be done at home. Direct financial contributions and in-kind donations help the PTA support the health, safety and education of our children. Donations are tax-deductible. See if your employer has a matching gifts program.

## Direct Support

## Participation

Attend PTA meetings regularly. Show up and bring your children to PTA and school events such as the Ice Cream Social, Fall Harvest Breakfast, Carnival, Health and Safety Fair, etc.

## Participation

## Membership

### Membership:

Join the largest PTA in the Southeast Maricopa region! You can complete this form now or print the application from the PTA website and return it to the PTA mailbox. PTA membership is open to parents, teachers & staff, guardians, grandparents, aunts, uncles and community members interested in improving the education, health and safety of our children! We need a strong membership base to support our school.
