Dear Friends in the community,

Warner Robins High School has had a long-standing tradition of academic and athletic excellence. We are continually striving to maintain that excellence in our soccer program by improving the quality of our equipment and upgrading our facilities. This cannot be done without the help of businesses and friends in the community.

One popular way to contribute is to purchase a sign to hang on our field. This sign serves a two-fold purpose. It is advertisement for your business as well as financial support for our program. It is our hope that you will purchase a sign for the upcoming 2009 season. The cost to purchase a sign is \$300. If you wish to purchase a sign, please return the enclosed form with your check. The check should be made payable to **WRHS**. We would like to have all sign purchases completed by Friday, February 6. This will help us to be able to hang your sign prior to the first game of the season. On the enclosed form, put the information you would like to have on your sign. You may also attach a business card or any artwork that we will need.

In appreciation for your response, we would be glad to send you 2 season passes which are good for all of our regular season home games.

Thanks in advance for your gracious response. We look forward to seeing you at Rumble Field!

Sincerely,

Phil Daly and Andy Bailey
