PACK 207 HAPPENINGS

April Pack Meeting. The theme of the April Pack Meeting is **Bike Safety**. The April Pack meeting will be held on Tuesday, April 17th from 7:00 to 8:00 pm at American Legion Post 421 (at intersection of West 220th Street and Brookpark Road) (NOTE LOCATION CHANGE). We recommend that all Cub Scouts and their siblings bring their bikes and helmets. The Boy Scouts of Troop 421 will inspect bikes and teach everyone about bicycle safety. There will also be an obstacle course for bike riders to try. We may even have the Fairview Park Police on hand to provide bike licenses. If the weather is bad, the meeting will be held inside the American Legion Hall.

Scouting 360. The Greater Cleveland Council is sponsoring a new event this year. Scouting 360 will be held Friday, May 4th through Sunday, May 6th. Over 3,000 Scouts, parents and leaders will be participating. There will be many activities. See enclosed flyer. Cub Scouts will have the opportunity to make a battery and construct a flashlight. Cub Scouts will also construct a protective covering for an egg and have it tested by being dropped from 30 feet. The Council Pinewood Derby finals will be held Saturday. **Go cheer Pack 207's Theo Papadimoulis as he races his Pinewood Derby car for the Council crown after winning the Dover-Rockport District Race on March 24th.** All 4th and 5th grade Webelos will have the opportunity to camp out on Saturday evening if hosted by a Boy Scout Troop. **Boy Scout Troop 421 would be willing to host the Webelos.** The cost for Cub Scouts participating on Saturday only is \$10.

Recruitment Night. May 1st is our Recruitment Night at Garnett Elementary School at 7 pm. Cub Scout attendance is NOT necessary unless your Cub Scout is bringing a friend who may be interested in joining. All Cub Scouts are requested to wear their uniforms to school on May 1st. Flyers will be given out at Garnett and Coffinberry during the week prior to recruitment night.

June Camping Trip. We have done a camping trip for the past two Junes and they have been really exciting for the parents and kids. We would like your input on two possible June camping trips. The first is camping at Wright-Patterson Air Force base near Dayton (a 3 to 4 hour trip). The Cub Scouts will be able to tour the Air Force Museum and eat in the Mess Hall there. The second is camping at a local state park or campsite (within 30 to 90 minutes from Fairview Park – for example, Findley State Park or Mohican). The choice of dates are the weekend of June 8-10 (1st weekend after end of school) or the weekend of June 15-17 (note: 17th is Father's Day). **Please advise David Wenner at dpwenner@hotmail.com with your recommendations.**
