**A. All Events One Day Tournament**

K. deBoer sent an e-mail on Tuesday, Sept. 16 at 6:07 am requesting a vote of all member schools. "LCC can no longer host the January 10th tournament, as there is a CHSSA meeting that weekend. This brings up an important issue: the tournament's original intention was to give the students one more chance to compete in the fall, when there used to be such a gap in competition. Now that Bronco is back, and now that Fullerton is in October, we don't have that issue. January is a relatively busy competition month with MLK and La Mirada (which is happening this year, by the way). As a league, we might decide the new one-day tournament is unnecessary. PLEASE get back to me and let me know whether you'd like to keep it on the schedule, see it go, or are impartial. Thanks."

Per e-mail vote, all except one were in favor of pulling the tournament from the schedule.

**IV. Adjournment**

There was no adjournment necessary.
