## Sponsorship

The members of VFW Post 3632 and American Legion Post 2 in Tempe are pleased to announce on Saturday September 27, 2008 we will be holding our 6th annual charity golf tournament. Last year the tournament was a great success with 132 golfers hitting the links, enjoyed a delicious meal, and went home with great door prizes and smiles on their faces. Over \$2,000.00 was raised and distributed back to the Veteran community. We are expecting to attract 144 golfers to the event this year and reservations will go fast.

The Veterans of Foreign Wars Post 3632 and American Legion Post 2 are Tempe Veterans organizations that have been serving the needs of Veterans and their families throughout the community for more than 50 years. On Memorial Day, the VFW and the American Legion perform a memorial service and mark the gravesites of Veterans at both cemeteries in Tempe with over 500 American flags. Our members coordinate and participate in the Veterans Day parade each year in downtown Tempe. Care packages have been sent to our troops overseas. We assist Veterans and their families in obtaining benefits due for their service to this great country on a daily basis. Last year alone we logged 900+ man-hours, traveled over 5,000 miles and contributed over \$15,000 towards needy Veterans and their families. Even with the large number of volunteers working with us, it is expensive to offer these free services, thus our organizations are putting together our 5th annual charity golf tournament to lessen this financial impact.

Making this event successful this year and in the future can only be accomplished with the generosity of you and your business. You or your company can help us with a \$100.00 tax-deductible hole sponsorship or provide prizes for the tournament. Your donation (listed below) will be recognized with an individual 11"x17" laminated sign on the Tee Box, a personalized glass framed "Thank You" certificate, mention in all printed material and personal gratification that you are helping the less fortunate Veterans in the community. If you are not the individual in your organization to make a decision regarding our request, we kindly ask that you forward this letter to the appropriate person.

For your reference the Veterans of Foreign Wars is a nonprofit organization under the IRS Code 501(c)19, federal income tax number 860100419. Please let us know if we can provide you with any further information about this event or about the American Legion or the Veterans of Foreign Wars. *Thank You Very Much.*
