Lab Fee

Dear Parents, Guardians and Friends,

A lab fee donation of \$ 25.00 is requested for all vocal music students in A Cappella, Madrigal Singers, Enchanté, Royal Knights, and Mixed Chorus choirs. This tax deductible contribution helps to enrich the experiences of the students in our program with purchases of sheet music, electronic equipment, educational supplies, and also supplements our accompanist stipend. The state budget cuts have impacted everyone this year, the arts programs have always been minimally funded, and this lab fee donation has been in place for over ten years.

This donation is tax-deductible. Please include your check payable to "San Marcos Vocal Music" along with the lower portion of the form and send it to school with your student or bring it to class on "Back to School Night" Wednesday, September 17th at 6:00pm.

Thank you in advance for your investment and support of the SMHS Vocal Music Department.

Sincerely,

San Marcos High School Choirs
 Carolyn Teraoka-Brady, Director
