Cocina De Mino Mexican Restaurant

Banquet Hall

**Saturday - August 8, 2009**

**Sign in 1-7 PM - No charge**

\*\*\*

Hall is air-conditioned - layer clothing for your own comfort as we usually have several hundred Spartans joining us on that day. Hopefully, the AC will cool down the hall and we'll beat the heat at the park again. Something under our control! ;)

\*\*\*

Snacks and beverages are provided. Beverages include tea, coffee, and water.  
"Cash bar" will be open in the banquet hall for your beverage of choice.

\*\*\*

Teachers joining us will not stay beyond several hours. Some tire easily. Suggest you arrive by 2 PM to be able to see and visit with them.

\*\*\*

All day you can join classmates for lunch or dinner by moving into the main dining hall of the restaurant to dine and then coming back in the hall to visit more.

\*\*\*

We hate to restate our mission - but if the crowd does not warrant the effort - we will go back to the every two to the every two or three year venue. So --- mark your calendars and we'll see you August 8, 2009.

\*\*\*

We pray for good health for each of you that you might continue joining classmates for years to come. As one classmate said, "I find our event more enjoyable each year!"

Now that's what we're looking for! Hail to the Spartans!!
