Reminders. Reminders. Reminders.

Bring water bottles if you need them
Wear your HHS caps proudly to rehearsals and performances
Carpool to performances when possible
Play your CD's on the way to performances and rehearsals

Performance uniforms are your own "Turn of the Century" creation unless otherwise indicated. Take a look at some turn-of-the-century pictures, and remember, **the 1950's were not the turn-of-the-century!** Try 1890 to 1910. For example: black shoes, **Black Pants** long-sleeve shirts, bow ties, vest, suspenders, sleeve garters, spats, bowlers, and straw skimmers. Make it colorful and classy looking. There were **NO** button-down collars then. **When we perform, Please, NO short sleeve shirts or Knit pullover sport shirts (unless our teal shirt has been indicated)!!**

What is (QE) Quartet Encouragement?

Several of the guys in the chapter, have had no real quartet singing experience and enjoy learning these special skills from those others amongst us who have this experience and knowledge we can pass along, including voice part coaching, body language, etc. If this is something you'd enjoy doing, bring a bag lunch and give it try.

Sherwood Hall library is located at 2501 Sherwood Hall Lane, 703-765-3645.
