Dear Myer,

As our new treasurer I have been going through the books and find that the Crew Club owes lots of money - some to members who have over-paid but, mostly for the "Freddy" and the bus. A few of you still owe the club various amounts for things such as shirts, gas, etc.

According to my records you owe the club \$14.00.

If your records differ from mine, please let me know. I hope you will respond promptly with checks and/or letters so I can clear up my records before the Fall quarter.

Sincerely,

Geoffrey Plampin
Treasurer
