

## **One-time prices for illustrations and setup**

Copying Doc file to PDF(s)

\$5.00 per PDF plus 25¢ for each input file

Scanning in writer's original art

1.00 plus 5¢ per picture (plus cost of returning the art)

Inserting illustrations into the file

\$5.00 plus 10¢ for each straight insert (per your specifications)

Photo manipulations creation

\$1.00 for 1 effect manip (changing background, adding people, etc.)

\$2.00 for 2 or 3 effects

\$3.00 for 4 or 5 effects

\$5.00 for 6 or more effects

Creating inserts and labels for CD's

\$2.00 each in addition to photo manip charges, if any (covers layout and insert of text)

Your description of the CD can be added to the back, title to front, etc.

\$2.00 extra charge for designing the insert and writing the description of the contents, etc.

We have a stock layout we use for case inserts. This applies if you want us to design a different layout for you.

## **Pressing prices**

\$1.50 for pressing 1 CD and using paper case

\$1.00 for label application

\$1.00 dynashield protection

\$0.50 for plastic case

\$1.50 front case insert

\$1.50 back case insert

You can do any combination of these services (except for the case and case inserts) and can hire us for bulk printing. If in bulk, there will be a 10% discount for orders over 30.

## **Shipping prices**

These prices do not include shipping. For the most part, the illustration work can all be done online and no shipping will be required. Return of original art submitted to us for scanning will be at your expense. The shipping for the CDs will be added onto the base prices and will vary based on how many you order. Prices for shipping will be the projected expense, rounded to the nearest dollar.
